

Achieve Self-Mastery for you and for others!

What are the benefits of this Certification Training?

NLP is about **self-mastery**. It is about “directing your own brain, driving your own bus.” It is about improving your communication with yourself and with others. It is about influencing with integrity and about achieving full potential with self and clients.

Training in NLP and in Life Coaching will lead you to new opportunities and advantages in your existing profession or employment and opens doors to new possibilities. Course graduates from many walks of life will find this training to be the transformation that makes the difference in moving you to a new personal and professional level. Whether it is to advance to a higher level, for your personal development or for a career change, this training will give you the abilities and tools to direct that process.

Health professionals improve their abilities to interact with and even accelerate healing with their patients. Parents achieve that rapport they want. Business owners enjoy better management. Employees find satisfaction and advancement potential. The list goes on...

Certification

Practitioner, Business, Professional and Personal NLP Certifications are provided by the National Center for Human Development, an affiliate of the Society of NLP, Bandler & Associates.

NLP Life Coach Certification is provided by the National Center for Human Development.

About your Trainer:

Roger V. Lees, M.A., President of the National Center for Human Development (est. 1983), is a Certified Trainer of Neuro-Linguistic Programming and NLP Life Coaching. He is a Behavioral Scientist with a Master of Arts degree in Human Development from Fairleigh Dickinson University. His mastery of the NLP technology, his results orientation, and his humorous style have made him one of the area's most effective trainers for growth and change. From corporate accounts, such as Schering Plough International, to individual clients, Mr. Lees is widely sought after for his training and coaching skills. Mr. Lees will be assisted by a skilled and dedicated staff.

TRANSFORM YOUR QUALITY OF LIFE!

NLP Certification Trainings

NLP is about self-mastery—your capacity to **achieve**. Imagine making life be the way you want it to, being the person you want to be! Neuro-Linguistic Programming is a true technology of **self-mastery**. It is a model for human communications excellence; with you and with others. Derived from neuro-physiology, linguistics (brain grammar) and Human Development it is an operating model to direct your own brain, to drive your own bus, to **make your life work** - financially, professionally and emotionally.

Run Your Life Now!

NLP Certification Training

Following the certification path that fits you, our series of 10 amazing breakthrough weekend training seminars will allow you to unleash your power to **change** habits, **influence** others successfully, **direct** thoughts and feelings, **master** stress and command every area of **your life** to achieve success and harmony. Learn and experience true life self-mastery and reproduce it with others through the basics of Life Coaching. You can even gain a marketable skill!

Topics, techniques and benefits taught and practiced will include:

Rapport Building: Improve personal and professional relations. Gain cooperation of others with verbal and non-verbal techniques. Resolve conflicts in ways that are mutually beneficial.

Expert Communication: Use language patterns effectively. Determine if there are any underlying messages in communications.

Anchoring: Learn powerful stimulus-response links to change the way you feel instantly. Get rid of inner conflicts that limit you. Get the outcome you want with others. Give yourself access to your own state of personal excellence, on command.

Submodalities: Learn how thoughts and experiences are actually structured, stored in the brain. Learn how to influence and to change them.

Metaprograms: Learn unconsciously motivators. Use that knowledge to motivate you and others, conversationally and subconsciously.

Strategies: Learn how to program yourself for success. Understand why very small changes can make an enormous difference in your destiny - and be able to make those changes. Gain skills for personal achievement.

Personal Power Techniques for Change: Learn how to manage stress, clear personal blocks, and break through self-imposed limitations. Learn how to apply these skills to others.

Reframing: Turn past failures into current successes. Use reframes to achieve high quality performance in you and in others.

And much, much more...
